Honey Bee Jubilee in New Ulm Saturday May 4th

Scheduled to Bring "Old World" Venue in a New Tradition

Feared by many, but embraced by millions (including the medical field) the honey bee has been an attribute in scores of ways in today's society. With that concept in mind, New Ulm invites everyone to the Honey/Bee Jubilee scheduled for Saturday, May 4 from 10 am until 6 pm rain or shine at 824 Pecan Street. The Jubilee is free of charge and guaranteed to entice and encourage all ages to know more about that mysterious little buzzing creature that does so much for us today.

Discover honey and bee related food, health and beauty products, even artwork and fine crafts and how they evolve around our everyday lives. Educate yourself about bee-habitat tax exemptions, the importance of bees in agriculture/economy, and the health benefits of honey.

There is a Honey Judging contest, Honey Bake Off, games for the youngest of the "Bee"lievers, live music, food and beverages at the New Ulm "Bee"stro all day. This event hits on not only fun for all, but nature, cultures, and traditions that have evolved around honey.

For more information on the Honey/Bee Jubilee in New Ulm at 824 Pecan Street on May 4 go to <https://www.newulmtexas.com> or email info@NewUlmTexas.com. And look for a "Bee"utiful time with family and friends.
