### *Fayette County Parishioners Spend Time on Local History*

**Imagine this—locals visiting sites and learning history of the settlers, churches, National Registry, and having a blast right in their own county! That’s exactly what happened when members (and some of their friends and family from Winchester, Austin, and Waco) of the Mount Calvary Lutheran Church of La Grange took some time off Sunday, August 11 with each other to enjoy their local history and share their own memories of earlier times as they took a Painted Church Tour with Cathy Chaloupka of Rural Texas Tourism, LLC. They toured St. Cyril & Methodius Catholic Church of Dubina, St. John the Baptist Church of Ammannsville, The Assumption of the Blessed Virgin Mary - St. Mary’s Catholic Church of Praha, and the Nativity of the Blessed Virgin Mary – St. Mary’s Catholic Church of High Hill.**

**“This was an opportunity for fellowship with each other and to remind all of us that we must look back on the great history of this area to move forward in the right**

**direction. We are so blessed to have had this blend of cultures forging our history and thus making our lives so much easier. It was truly a wonderful day!” states Janice Teinert, Mount Calvary Pre-school Director.**

**“We are not only thankful to our ancestors that plowed the trails before us but we must also be grateful to the present parishioners that serve as volunteers each day to ensure that their church “home” is attended to and that proper etiquette is enforced with the many visitors that enter through the doors. It was such an honor to have locals investing their time in history that is so important to all of us. We encourage everyone to take time from their busy schedules and enjoy our great Fayette County. We personally have been a part (not only financially to the churches) but serving on our Building Committees in the past as well as Restoration Committees and continue to strive for excellence in reporting accurate and entertaining information on tours for all,” states Cathy Chaloupka of Rural Texas Tourism, LLC.**
